INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR §1.97-99

1. Applicant submits herewith patents and other information of which they are aware, which they believe may be material to the examination of this application, and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

2. While this Information Disclosure Statement (IDS) may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent referred to herein is "prior art" for this invention unless specifically designated as such.

3. The German patent document (DD 299898) included in this IDS was the product of a search by a foreign search authority in an international search report for a counterpart foreign application, namely PCT publication WO2005/027658 A1, also attached. As such, and per the requirements specified in MPEP 609.04(a) III, a copy of the PCT International Search Report is included herein (4 pages), which details the portions of the German reference were considered relevant to the patentability of specific claims in the applicant's counterpart foreign application.

4. In accordance with 37 CFR 1.97(b) the filing of this IDS shall not be construed to mean that no other material information as defined in 37 CFR 1.56(a) exists.

5. The person making this statement is the agent who signs below, on the basis of information in the agent's file.

6. This statement concludes with a substitute form 1449/PTO, herein attached.

Respectfully submitted,

STRATTON BALLEW PLLC
